The order of the dasha lord planets, their respective individual durations and total time-cycle (=36 years) are common to both the Yogini and Shat-Trimsha Dasha-systems - except for the single difference that the commencing dasha becomes different in the two cases.

Parashara's recommendation is that if birth takes place during day-time in Sun's Hora or in night-time in Moon's Hora Shat Trimsha Dasha-System should be adopted.

As an extension to this principle, if birth takes place in night time in Sun's Hora or in day-time in Moon's Hora, Yogini Dasha-System should preferably be employed.

Besides, this house has governance over line of descent, father, preceptor, deity, past destiny, virtuous deeds, prayer, worship, auspiciousness, etc. In case of male persons, it rules over grandchildren and in case of female persons, it rules over the prospect of begetting progeny. This is a highly favourable position and you will be exceedingly fortunate. You will be close to your father, will be religious minded, take part in religious activities and will remain engaged in performing virtuous and philanthropic deeds. You will be a learned person, study sacred classics, take part in religious discourses and will treat preceptors and pious people with great respect. You will live a long life which will be full of peace, happiness and satisfaction; your children will be worthy and dutiful while your grandchildren will be a source of pride and joy. As this house also rules over long/ foreign journeys and pilgrimage, you will have many such journeys on academic, cultural or religious errand and may visit various holy pilgrim centres. People will treat you with great respect and seek your valuable advice and guidance. If your Ascendant is Leo or Aquarius, then as your Ascendant-lord will be exalted, you will be highly fortunate.

Lord of 2nd House

In your chart, the second-lord is situated in the eleventh house, which is called the house of gains (Labha). This gives rise to a favourable 'Dhana Yoga' combination and you will be very fortunate in respect of all favourable 2nd house attributes : wealth, family, speech, education, property, food and drink, enjoyments, etc. In addition, if the 11th-lord is also found to be situated in the 2nd house, then you will be rolling in wealth by having boosted earnings by running a brisk business and from prudent investments; your earnings will be incessantly pouring in through more than one sources. Your elder co-borns and friends are likely to be resourceful and you would receive active assistance from them; you are likely to move in high circles and will become benefitted through your associations. Your ambitions will be realized and all your cherished desires will be reasonably fulfilled. As the 2nd-lord aspects the 5th house, your children will be successful in their spheres of profession and will become known for their good deeds.

Lord of 3rd House

In your chart, the third-lord is situated in the tenth house, which is called the house of profession (Karma). It indicates that your profession is likely to have strong connection with the 3rd house significations like news-paper/ press, writing/ editing/ translating, post/ telegraph/ courier service, radio/ broadcasting, transport/ tourism, etc lines. If your 10th-lord is well-placed or if it is either associated with or aspected by a natural benefic planet, then you are likely to be a ranked person and get good remuneration; but if your 10th-lord is ill-placed or if it is either associated with or aspected by a natural malefic planet, then you may be tied down to a poorly paid job involving responsibility and sub-ordination. From this position, the 3rd-lord

aspects the 4th house for which if the 4th-lord is weak, then you may incur some wasteful expenditures and even may have losses. If the Moon is also weak, the health and well-being of your mother may cause some concern; if Mars or Venus is weak instead, you may have changes of residence or may face problems in connection with your vehicles. But if the 4th-lord is well-placed or if a natural benefic planet is situated in the 4th house or aspects it, then you will be free from these problems.

Lord of 4th House

In your chart, the fourth-lord is situated in the eleventh house, which is called the house of gains (Labha). Since the 11th is the 8th (= longevity) from the 4th (= mother), if the 11th-lord is ill-placed, the health and well-being of your mother might cause you concern. But if the Moon is well-placed or if a natural benefic planet is situated in or aspects the 11th, then the position will be much improved; besides, it will give you good education and endow you with business intincts. As the 11th signifies gains and the 4th rules over profits, if both the Moon and Saturn are also well-placed, you will have large gains and earn huge profits. Since the 4th governs over property and the 8th from it is its destruction, you may have loss of property -- if in addition Mars is ill-placed; since the 4th and the 8th both rules over watery bodies, it might be due to calamitous causes like flood. As the 4th signifies popularity and the 11th signifies the circle of friends and acquaintances, you will be highly popular in your friends' circle. As the 4th rules indoors and outdoors are signified by the 11th, you may equally enjoy spending your time in company of your friends outside your home and entertaining your friends in your home with pleasure.

Lord of 5th House

In your chart, the fifth-lord is situated in the third house, which is called the house of courage (Vikrama). If the 5th-lord is a natural malefic planet or if such a planet is situated in the 3rd, then you will become bold and courageous; if the malefic planet is in 'retrograde' motion while the 3rd-lord is associated with or aspected by natural malefic planet(s), then you might face serious traffic accident(s) while returning home back -- once or more in your life. As the 3rd house indicates the lower mind while the 5th house indicates love-affairs, speculations, etc., you may have deep-seated desire for having the company of the members of the opposite sex; your mind might remain absorbed in calculating the possible gains from speculative sources and if the 3rd-lord is well-placed, you may earn a lot from speculations. If Venus is well-placed, then you may have good gains from entertainment fields; if Mars is well-placed, then it might be from sports and if Mercury is well-placed, then it might be through your writings covering such fields. If a natural benefic planet is situated in the 3rd house or aspects it, it will make you fortunate in respect of your younger co-borns and if a natural benefic planet is situated in the 5th house or aspects it, it will make you fortunate in respect of your own children. If your Ascendant is Capricorn or Pisces, then your 5th-lord will be exalted in the 3rd and you can look forward to having results of the very best kind.

Lord of 6th House

In your chart, the sixth-lord is situated in the third house, which is called the house of courage (Vikrama). This is a favourable position as the lord of a weak house is

situated in another weak house, thereby losing the maleficence of the house it owns and mitigating the otherwise possible evil effects of the house it is situated in. You are sure to come up in life quite suddenly and in a spectacular manner. The position is beneficial for receiving out-of-turn benefits by virtue of having some proficiency or some acquired special skills. You may do well in out-door sports and athletics; alternatively, you may join in some active services where by virtue of your extra-ordinary performances, you may be able to turn heads and command due respect. In your early years, your kindred and colleagues may not be helpful and they may even become jealous later; but you will be able to overcome all your enemies -- more so if a natural malefic planet is situated in the 3rd house. If a natural benefic planet is situated in the 3rd house or aspects it, then you may do well in a publishing house by serving as a correspondent, a writer or an editor; and if that happens with the 6th house, then it will safeguard your prospects. If your Ascendant is Leo, then your 6th-lord Saturn will be exalted in the 3rd and you can look forward to the very best results; but if Saturn is retrograde while the Moon is also in the 3rd, then it might affect the health and well-being of your mother.

Lord of 7th House

In your chart, the seventh-lord is situated in the eleventh house, which is called the house of gains (Labha). If your Ascendant is Virgo, you will be highly fortunate in respect of your spouse and children as the 7th-lord will be exalted in the 11th. If your Ascendant is Leo, then you will be in good terms with your relatives and your enemies will turn into your friends. If the 7th-lord or the 11th-lord is well-placed or if a natural benefic planet is situated in the 7th or the 11th, you will have good gains from your spouse and will have excellent earnings from your own business venture; you may find prospective business-partners in your friends' circle with whom your relationship will remain very cordial. As the 7th rules over foreign tours while the 11th indicates any distant place in the world, you may have successful foreign tours and may have good earnings from foreign connections. But if both the 7th and the 11th houses are under influences of malefic planets while Venus is also ill-placed, then you may have problems in married life, might be tempted to have illicit relationships, may think of divorce/ separation and may even opt for having a second-marriage. If the 11th-lord is well-placed or if a natural benefic planet is situated in the 11th or aspects it, you will have a large circle of friends and your cherished desires will be fulfilled; but if the malefic planets are influencing, then you might be troubled by jealous and mean people.

Lord of 8th House

In your chart, the eighth-lord is situated in the tenth house, which is called the house of profession (Karma). As the 8th-lord indicates obstructions and untoward happenings, you may have changes in profession or transfers a few times and may even opt for seeking premature retirement. However, since the 8th is the 11th from the 10th and the 10th from the 11th, you will have very good earnings from your profession. Since the 10th house rules over one's credibility, honour, etc., if your 10th-lord is not well-placed and if a natural malefic planet is either situated in the 10th house or aspects it, you may run the risk of becoming a victim of slander or disrepute. If your profession is likely to have some connection with the 8th house significations like insurance, provident-fund, taxes, etc and you may do well as a

surveyor/ value and loss assessor, an industrial consultant or a financial advisor, etc. As the 8th house governs over defence establishments, you may work in or may have good gains from such places -- more so if Mars is also well-disposed. As the 8th has connection with criminal proceedings and forensic procedures, your job may have connection with these lines too. As a broker/ agent also, you may earn very good profits.

Lord of 9th House

In your chart, the ninth-lord is situated in the eleventh house, which is called the house of gains (Labha). The 9th-lord situated in this position gives gains from various sources and it will make you fortunate in respect of having worthy friends who will remain ever-ready to offer active assistance. If the 11th-lord is well-placed or if a natural benefic planet is situated in the 9th or the 11th or aspects either of these two, this position is favourable for the health and well-being of your father; otherwise the results will be the opposite. As the 9th is the 6th from the 4th while the 11th is the 8th from the 4th, it offers auspicious 'Veepareeta Raja Yoga' results for your mother and she will become wealthy. If either Saturn or Ketu is also situated in the 11th, there will be constricting influences exerted on the influx of wealth; but such tendencies will be mitigated if Jupiter or Venus is also situated in the 11th or aspects it. If your Ascendant is Leo, as the 9th-lord Mars will be the 4th-lord also; so it's presence in the 11th which is the 8th from the 4th is unfavourable for the health and well-being of your mother but if your Ascendant is Aquarius, the 9th-lord Venus who is the 4th-lord also, will protect her for being a natural benefic planet.

Lord of 10th House

In your chart, the tenth-lord is situated in the ninth house, which is called the house of fortune (Bhagya). This is a highly beneficial combination as it constitutes partial 'Maha-Bhagya Yoga'. If in addition, the 9th-lord is also situated in the 10th, then it constitutes 'Dharma-Karma Yoga' which is the most praised planetary combination. If your Ascendant is Scorpio, then the yoga will gain further strength and if the Ascendant-lord or Jupiter is also well-placed, you will be a devoted religious person. Your mind will remain in exalted state and you will always remain engaged in performing worthy deeds. You will love the company of pious people, enjoy studying religious classics and listening to devotional discourses and will remain associated with the works for social upliftment; you may remain actively engaged in charitable deeds and philanthropic activities. You will become renowned, widely respected and your reputation will be lasting. You will have high education, hold a prestigious position and will be well-respected in society. Rather than words, you would live by your deeds and people will treat you as an embodiment of virtues. You will have pilgrimages and may go to distant foreign places on academic, cultural or religious missions.

Lord of 11th House

In your chart, the eleventh-lord is situated in the tenth house, which is called the house of profession (Karma). This is a favourable position and guarantees very good earnings from profession; besides, it gives many friends in the workplace itself. If the 10th-lord is in the 11th or in the 10th itself or if a natural benefic planet

is situated in the 10th or the 11th, then it improves the professional prospects further; it gives a prestigious and lucrative profession and it gives some honour and renown as well. If your Ascendant is Aries, then the 11th-lord will become the 10th-lord too which for being in own-sign will offer auspicious 'Pancha Maha-purusha Yoga' results. But if the Ascendant is Sagittarius, then the 11th-lord will become debilitated in the 10th; if Mercury is also in the 10th or Jupiter is also situated in the 10th or aspects it, you may not be very fortunate in respect of profession and if you have any elder co-born, then his/ her health may become delicate and/ or he/ she may suffer some losses. If the Sun or Mars is also in the 10th, you will enjoy favourable result as the planet attains directional strength (Dik Bala); Rahu also will give beneficial results here but if Saturn is placed here, it may give a precipitous fall after steep rise -- more so if it is retrograde. If a benefic planet is in the 10th or aspects it, then it will safeguard your honour.

Lord of 12th House

In your chart, the twelfth-lord is situated in the tenth house, which is called the house of profession (Karma). It indicates that your profession is likely to have some connection with the 12th house significations like hospitals, asylums, jails, charitable institutions, tanneries and footwears, bedding materials, prophylactics, investigations, research, fisheries, waste-disposal, etc. If your Ascendant is Aries, then your 12th-lord which is the 9th-lord also will become debilitated; then you may not be very fortunate in respect of your profession. If your Ascendant is Leo, then the 12th-lord will be exalted in the 10th; this will give you quick rise in the sphere of profession -- more so if the Moon is 'waxing' or if the 10th-lord is well-placed; you may become a medical practitioner or may hold some positions which involve public connection. In other cases, this position would give fair to good results; you may have transfer or change of profession a few times and in connection with profession you may have to go to distant places. However, if Saturn is well-placed or if another natural benefic planet is either placed in the 10th or aspects it, or if the Sun or Mars is in the 10th, then you will enjoy highly beneficial results. If Mercury is well-placed and if the 5th house is associated with or aspected by a benefic planet, you may be an Astrologer.

You will have an unquenchable thirst for knowledge and information and you will be an avid reader and regular note-taker. You are likely to be a person of many beliefs and opinions and these will keep changing as you would grow older. But if your Ascendant is Cancer, then debilitated Mercury in the 9th might make you a meddling person, through your publications/ writings you might antagonize some people and run the risk of facing legal battles -- more so if Venus is not well-placed. If your Ascendant is Taurus or Cancer or Sagittarius, you will be highly fortunate as Venus will be exalted or in own house; but if your Ascendant is Scorpio, then your married life might be full of problems -- unless any modifying combination is present in your chart. If a natural benefic planet is with Venus or aspects it, then you are sure to have boosted earnings but if a natural malefic planet is with Venus or aspects it, then you might be riddled by perplexing problems. If Saturn is with it or aspects it, then you may have a set-back in profession. Jupiter

Since Jupiter is situated in your 11th house, you will be fortunate in many respects; as Jupiter will be aspecting the 3rd (= younger co-borns), the 5th (= merit, children) and the 7th (= spouse, partners in business, public dealings), you would be blessed in all these respects besides in respect of the 11th (= earnings from profession, friends, etc) -- of course the results could be modified depending on the condition of these houses, of their respective lords and of their respective natural significators (Mars for siblings, Mercury for merit, Venus for spouse, etc). You will be more fortunate if your Ascendant is Taurus or Virgo or Aquarius as Jupiter will be exalted or in own house. But if your Ascendant is Pisces, then as Jupiter will be debilitated in the 11th, you may not be very fortunate -- unless Saturn is well-placed or if Jupiter is associated with or aspected by Venus or the Moon. Jupiter's position in the 11th is considered to remove all evils and afflictions as the saying has become legendary; but unless Jupiter is fairly free from afflictions from natural malefic planet(s), you should be modest in your expectations as this position all by itself cannot make you rich or famous. However, this position will give you good education, a respectable profession, good earnings, assistance from worthy friends and realization of your ambitions. If you are male, you would be the eldest among the co-borns. You may attain success just after the birth of a child.

Saturn

Since Saturn is situated in your 3rd house, it will make you bold and courageous; it will also give you a determined nature. You may not be in good terms with your relatives, your health might be affected by journeys and over-exposure and your mind may become melancholic. Some losses are likely during journeys and also through postal transit. If the Moon is also situated in the 3rd house, the physical or mental health of your mother may cause you some concern. If two other natural malefic planets (the Sun, Mars and Rahu) are also situated in the 3rd, then you will be highly fortunate as unobstructable 'Vishesh Argala' will be generated for your Ascendant which will certainly give you exceptional prosperity -- but with so many malefic planets in the 3rd house, you may not have any surviving younger co-born. If your Ascendant is Leo or Scorpio or Sagittarius, as Saturn will be in own house or

exalted, you will become very happy in respect of your younger co-borns. If your Ascendant happens to be Aquarius, then if debilitated Saturn obtains 'neecha-bhanga' (cancellation of debility), then you will be fairly rich and well-placed in life.

Moon

Since the Moon is situated in your 10th house, you will have a great desire for public life and will become very popular. Your profession may command remaining in close contact with the public and you may have association with ladies who might influence your position for good or evil. If your Ascendant is Libra, then you might be running a brisk business -- may be a medicine store or restaurant. If your Ascendant is Leo, then you may be in service in a good capacity -- may be in a hospital, custody house, rehabilitation center or the like. If your Ascendant is Aquarius, then the debilitated Moon in the 10th may make your position unstable and give you changes in occupation -- unless there are modifying influences present in your chart. If the Moon is associated with or aspected by a retrograde natural malefic planet, then you may have the risk of facing a reversal every time you would proceed one leap forward. You may undertake many long journeys.

Rahu

Since Rahu is situated in your Ascendant, you might had been born in troubled circumstances. You are likely to have attractive appearance and might become very popular. During sometime in your life, you may face insurmountable opposition and may become somewhat confused or undecided. Your unorthodox views might generate some controversy or you may opt for a self-chosen life-companion.

Unless Rahu is in own star or is involved in star-exchange with a natural benefic planet, it may bring in some unusual problems in married life where the cause of problem will be difficult to isolate. If Rahu is situated in Ketu's star, then you might become prone to face accidental mishap. If the Sun is situated close to Rahu, then you may suffer from hereditary diseases. If the Moon or Mercury is with Rahu, then your thinking might be somewhat confused but if Mercury is situated in the 7th-house, then you will be bestowed with sharp intelligence and academic distinction. If Mars is situated close to Rahu, then you may have a violent temper, have undesirable associations and, if you are male, may acquire some bad addictions.

If Rahu is in Taurus, Virgo, Capricorn or Aquarius and a natural benefic planet is with it or aspects it while the Ascendant-lord is also strong, then you may have been born in a noble family or will become very rich.

Ketu

Since Ketu is situated in your 7th house, you will enjoy 'mixed' results of good and bad both. This position is not considered favourable for happiness in marriage; however, if Ketu is in Scorpio or Pisces or if it is situated in it's own-star, it gives improved results while the results become worse if Ketu is in Taurus as you may be

troubled by opponents and face many problems -- unless Mars is well-placed. However, this position is favourable in certain respects : if Mercury is also well-placed, you can gain good proficiency in computer operations fairly fast and can have good gains from service in this field; you may even start your own business pretty soon if the 7th-lord is well-placed or if a natural benefic planet is situated in the 7th or aspects it. If Ketu is in star of Rahu or Mars, you may have some quarrels and/ or face accidental mishaps. Ketu gives good results if it is with Jupiter or is aspected by it or is situated in the star of Jupiter or Venus.

Uranus

Since Uranus is situated in your 7th house, you are in for trouble. It may make you somewhat adamant and stubborn -- unless the Ascendant-lord is well-placed. You may have impulsive attachments and create many open enemies whom you may have to contend with owing to your own unyielding nature.

In forming business-partnership or marriage-alliance, you may become unusually hasty and you may have to repent forever afterwards as such things are very frequently followed by estrangement or separation. However, if the 7th-lord is well-placed or if a natural benefic planet is situated in the 7th or aspects it, then the situation will be improved. If the 11th-lord is well-placed, then it is beneficial for gaining unusually big favours from influential people of aristocratic background and you might suddenly be shot to prominence. If Uranus is with Rahu or is situated in Rahu star, then you will have good gains from the electronics field.

Neptune

Since Neptune is situated in your 6th house, you are likely to face some acute problems and critical situations. Some of your relatives may behave in a very undesired manner and cause you great annoyance. Your subordinates or employees may become treacherous and deceitful which might become a source of your worries and they might even cause you losses through their designs or underhand actions. If a natural benefic planet is situated with it or aspects it, then you may be able to manage them by making some sacrifices, but if a natural malefic planet is with it or aspects it, then the situation may worsen and it may affect your health. Neptune will give better results if it is placed in sign Cancer or Scorpio or Pisces. The position is favourable for being employed in or receiving gains from foreign-collaboration companies.

Pluto

Since Pluto is situated in your 4th house, your life may have a troubled beginning. Your parents might be separated or one of them might have made a premature 'great escape'; alternately, your domestic environments might had left you to bear indelible scars in your mind. You might get into difficulties with other people in connection with property-matters and they may have their final say by resorting to ruthless methods; for this, you need to remain very careful and cautious. However, if the 4th-lord is well-placed or if a natural benefic planet is in the 4th house or aspects it, then the things will be improved; but if the 4th house is influenced by position or aspect of Saturn or Mars and if the 7th house or the 8th house is also under the influence of natural malefic planets only, then you must safeguard yourself as danger lies in wait.
