Name : Pawan Kalyan (Male)

Om Sri

During Dakshinayana period; with Jupiter in Vrischika rasi and Saturn in Vrishabha rasi; on 1971 September 2 Thursday at 15 Ghati (Nazhika) 10 Vinazhika After sunrise; in Third Pada of Star Uttarashada; Suklapaksha Dwadasi Thidhi, Balava Karana and Soubhagya Nithya Yoga; with Moon in Makara rasi and Kumbha Navamsa; in Vrischika Lagna and Middle Drekkana; the Boy is born.

Weekday : Thursday

Birth on a Thursday makes you kind and compassionate. You can look forward to a happy family life. You combine practical wisdom and a philosophical and religious approach to life in a seamless manner.

Birth Star : Uttarashada

Even as a boy, you understand the realities of life. You therefore develop a mature outlook comparatively early. You are careful to present your family in the best light possible. You will experience a mixture of good and bad luck. However, you will progress steadily in the field in which you participate. You will make decisions after careful thought and with the advice of those you trust. You will not be excessively demonstrative or affectionate. Your life is organized and systematic. You are careful and deliberate in your speech and mannerisms. Your great regard for the well-being of others may serve to ruin your own chances for getting ahead. Try to maintain a mental equilibrium. This is especially true since you find it hard to deal harshly with others. The barriers to a happy life may be caused by the ill-health of your wife, or the actions of your children.

Thidhi (Lunar Day) : Dwadasi

Since you are born in DWADASI THIDHI, you attach great importance to a central power and influence, both in worldly and spiritual matters. People who know you respect you for your gentle ways and the concern with which you deal with those around you.

Karanam : Balava

Birth in Balava Karana makes you an independent thinker. You resist controls imposed on you. You may not give much importance to your relatives.

Nithya Yoga : Soubhagya

Your SOUBHAGYA NITHYAYOGA manifests itself by special signs on your palms and feet. You will have a particular interest in food, in some form or the other. Your wealth may be connected to food or agriculture. You are likely to move around during your life-time and settle in a place distant from that of your birth.

The sub-planets of Sun, Mercury, Jupiter, Saturn and an additional sub-planet of Mars are calculated based on the division of day or night into eight equal parts.

The first part belongs to the lord of the day, followed by the remaining lords of the week in cyclic order. The eight part is lordless. In the case of birth at night, out of the eight equal parts, the first seven are allotted to the lords of the planets starting from the 5th. weekday.

Two different methods are popularly adopted for finding the longitude. In the first method an ascendant is calculated for the beginning of the period ruled by the planet. In the second method, the end of the period is taken.

In the case of Gulika, the sub-planet of Saturn, a third method is also available to calculate the longitude of the dhumadi group of subplanets based on fixed values of rise time as given below. The value calculated thus is presented along with the principal planets in the Rasi Chart.

Days	Birth during day	Birth during night

Benefic / malefic analysis based on lordship of houses

Although planets are classified as natural benefics and malefics their effect in a horoscope is to be judged by the lordships of different houses.

Lords of first, fifth and ninth houses are always benefic.

If natural malefics become lords of fourth, seventh and tenth, they turn benefic.

Lords of third, sixth and eleventh houses are malefic.

If natural benefics become lords of fourth, seventh and tenth, they turn malefic due to kendradhipathya dosham.

Lords of second, eighth and twelfth houses are to be considered as neutrals.

Except Moon and Sun, other planets take lordships of two houses and the net effect is to be judged.

While some astrologers assume that the lord of eighth house is always malefic, authentic texts indicate that the nature of eighth lord is to be judged by the lordship of the other house it owns.

Bhava Predictions

This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Personality, physical structure, status

The first house of the horoscope represents the personality characteristics, physical structure, status and fame of the person.

Based on the position of Lagna the following characteristics may be present in your personality. You are: sarcastic; impulsive; intelligent; strong-willed; secretive; quarrelsome; sickly in childhood; sharp; quick-witted; inconstant; excitable; a good conversationalist. You do not take advice well. You will probably argue with your parents over money or land. The second half of your life will be luckier than the first. You may have special marks on your palms or feet. You are a good correspondent. You do well in competitions. You enjoy luxury. If your musical talent is cultivated, you can become truly proficient. You also have a talent for art, dance, or singing. You may have digestive trouble, so watch your diet.

Since your Lagna lies in the second Drekkana of its house, you are likely to be a dreamer. But some of your dreams may not be realized. Even though you recognize that possibility, you still enjoy dreaming. But you should be realistic; recognize that you are not a financial wizard. You will do well in imaginative occupations. When you have money, you spend it freely. When you don't, you try and adjust. Your attitude will always help you regardless of your financial situation. The important years in your life are 25, 32, 41, 49, 57 and 63.

Since the lord of the ascendant is in the 3rd house, you participate in acts that are courageous and honourable. You are capable of maintaining parallel relationships with different people, which is fine in casual friendships but dangerous when it comes to romance. Some of your ways appear unorthodox or unnatural to others. People may talk about you, so if you don't want them to, don't flaunt your life-style. You may gain acceptance in the world of music or mathematics, especially through the help of your brothers. Your health will be variable.

Since Jupiter is in your first house, you will probably be attractive, intelligent, brave, conscientious, and wealthy. You will probably lead a long life.

Since Lagna lord is exalted, you are eligible to occupy high posts of authority.

The aspect of Saturn on the first house, seen in your horoscope, is not a good indication and it is essential that you take all efforts to keep away from unclean environment and doubtful company of friends.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the ascendant, there is little doubt that you ultimately make money. However, your relationship with your parents and siblings will be far from satisfactory. Even in youth, you will look beyond the home for comfort and pleasure. You may resent your parents and see them as barriers to your progress and happiness. In business, you must remain vigilant so as to avoid fraud. Your financial fortunes will rise and fall intermittently, and therefore cause you much worry. You are occasionally abrupt or rude to others.

Since the second lord is aspected by the fourth lord, there are chances of your gaining wealth through maternal connections.

Siblings

Third house in the horoscope mainly refers to siblings, courage and cleverness .

Since the 3rd lord is in the 7th, you are better suited for professional employment where the income will be regular and steady, rather than business. You will prove to be a good worker and you will enjoy the regard of your bosses. You may occasionally overestimate your ability to perform a service or repay a debt. Therefore, you may have to default on loans or promises when they come due. However, you will save yourself by being careful in most dealings. Travelling is not good for you. You can expect help from one of the brothers who may settle abroad.

Since the Moon happens to be in the 3rd house, your relationship with your partner will be strong and affectionate. You will enjoy the company of your brothers and sisters.

Since Mars happens to be in the 3rd house, you will be a capable, good-natured and wealthy individual. Brothers and sisters may consider you detrimental to their personal interest. It is your responsibility to maintain a happy marriage.

Since Rahu happens to be in the 3rd house, you have a clear mind, and a strong determination. You are sensitive to the feelings of others. However, relationships with brothers and sisters may not necessarily be satisfactory. Your life span will be good.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope the lord of the 4th house is occupying the 7th, so you are probably a happy individual. When you grow up, you will have control over houses and land. You enjoy working for everything you have, and you don't believe in accepting something for nothing. You are extremely independant.

As Saturn is the lord of the 4th house, even as a child, you will demonstrate your leadership capabilities. Friends and classmates will readily accept you as their leader. You may assume a position of group leadership. When you grow up, you will have the ability to govern, and may be a responsible administrator.

Since the Moon is afflicted in your chart, you should be attentive to your mother's health and happiness.

It is seen that Mars is afflicted by other planets. Hence, take extra care in property dealings so as to avoid losses.

It is to be particularly noted that Mars is in the exalted position. This will generally minimize any bad effects otherwise described regarding acquisition of houses and land.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth lord and this reduces any bad effects predicted otherwise.

Children, mind, intelligence.

The fifth house of the horoscope mainly gives indications regarding children, mind and intelligence.

Since the 5th lord is in the ascendant, you will show scholastic aptitude in the field of your choice. You will be fascinated by magic shows, scientific experiments, and anything complex or challenging. If required, you can be devious especially in money matters. You may spend much less for children than you could really afford to. None of your children can force any decision on you prematurely. You will have authoritative powers and may become a judge, or police officer. You will intentionally or unintentionally delay having children.

Positioning of benefic planets in the fifth house from Lagna, Moon or Jupiter or benefic planets aspecting these

houses is considered to favour well for having children. Such positive indications are seen in this horoscope.

Diseases, enemies, obstacles

Consequently, you may not be able to voice your ideas, or implement action when required. If you decide to clash with someone you love, the result can be full-scale war. The major mistake made by most of your friends, relatives, business associates, lover or mate is in attempting to force you to make a decision. Since the 7th lord is afflicted, you will be concerned and committed to the welfare and happiness of your partner. But in time, she may begin to take advantage of your generous nature. anxious or worried if you feel crisis looming. Despite the impediments and obstacles you face, you will rise steadily in your career. However, keep your accounts carefully and honestly, because they may be audited or examined by the government or law-enforcement. Your boss may suddenly leave the work place, and this could lead to your rise.
